

# PROCEEDINGS

## Getting Started

The contents of this product are designed to be viewed directly from the media (CD or DVD) using Adobe® Reader® or Adobe® Acrobat®, version 6 or 7, installed on your computer (version 8 or newer is **not** recommended).

Hyperlinks to the Adobe web site are provided in the setup file should you need to install the free Adobe Reader software.

**Windows®:** If the product does not open automatically, run "Setup.exe" located in the main level of your CD or DVD drive.

**Macintosh®:** Run the "Setup OS X" application located on this disc.

**UNIX®/Linux®:** Using Adobe Reader, open the main PDF file located at the root of this disc.

## Software Requirements

- Adobe Reader or Adobe Acrobat, version 6 or 7 (8 or newer **not** recommended)
- QuickTime® 7 or Windows Media® Player 9 or newer for multimedia playback
- Internet connection for help and updates

## Need Help?

Refer to the "Readme.htm" document located on this disc for general product support, installing Adobe Reader, and copying this product to your hard disk or network.

A complete help file is accessible from the main menu of this product (internet connection required). Omnipress technical phone support is available at 608-246-2600 (Mon-Fri 8am-5pm CST) or by e-mail at [digital@omnipress.com](mailto:digital@omnipress.com). Limited support for UNIX and Linux systems. This product is not supported if hosted on a web server.

This product was produced by Omnipress – leaders in conference & educational publications.
