HONOR A MENTOR PROGRAM

“A mentor is someone who sees more talent and ability within you, than you see in yourself, and helps bring it out of you.”
—Bob Proctor

As ACVS Diplomates, many of us have been blessed to receive mentorship that has been critical to our success as veterinarians and surgeons. It is also likely that such an important person has influenced a number of our ACVS colleagues. In recognition of these special relationships, the ACVS Foundation is pleased to offer you the opportunity to say “thank you” to your ACVS mentors by participating in the **Honor a Mentor Program**.

Fellow Diplomates and Honor a Mentor Program donors Erick Egger and Larry Carpenter felt strongly enough about Don Piermattei’s impact on their lives

that they readily recognized him with this honor. Erick expressed a sentiment likely shared by many others: “In addition to being a friend and colleague, Don has also been a dedicated, compassionate, and talented surgeon. He has mentored hundreds of veterinary students and young veterinarians, and, it is safe to say, many of us would not be where we are today without him.”

With a minimum individual donation of \$100, you are given the option of having the ACVS Foundation inform your mentor of your tribute. When cumulative donations by one or more persons

DONALD L. PIERMATTEI,
DVM, PHD, DACVS

reach \$1,000 or more, the mentor is recognized on the ACVS website and in the Foundation’s newsletter. Additionally, their picture with quotes on his or her impact and accomplishments as a mentor will be featured at the annual ACVS Surgery Summit. The ACVS Foundation encourages you to contact others who may want to participate in honoring a mutual mentor.

Your donation is tax deductible and will remain confidential, and you will receive a confirmation acknowledging your honor.

Learn more about and participate in the Honor a Mentor Program by visiting www.acvs.org/foundation/donation-programs.

For further information, please contact ACVS Foundation Program Coordinator, Scott Litten, at 301-916-0200 x110 or slitten@acvs.org.
