VETERINARY SURGEONS

## Continuing Education Calendar Submission

ACVS maintains a list of current veterinary surgery-related continuing education events. The following criteria must be met to be eligible for inclusion:

- 1 – Event must be presented by a non-profit organization;
- 2 – Event must be RACE approved or approved by individual state boards of veterinary medicine; and
- 3 – Event dates must not conflict with ACVS continuing education offerings.

Please note that all submissions are subject to approval. Approved submissions will be posted online within five business days. To prevent delayed posting, please check spelling.
