

2019 ACVS Phase II Examination Reading List

The following references and books are suggested reading in addition to the current Phase I reading list, for preparation for the 2019 ACVS Phase II Surgical Competency Examination. Other textbooks and current references may be pertinent. Knowledge of basic and applied anatomy is assumed.

Selected References for Small Animal Surgery

1. Guyton AC, Hall JE. Textbook of Medical Physiology, W.B. Saunders Co., (11th Ed), 2006
OR (12th Ed), 2011 (chapters are equivalent). *Chapters 4-13, 16, 20, 22, 25, 29, 30, 36-42, 49, 60, 62-64, 70.*
2. Lumb and Jones. Veterinary Anesthesia and Analgesia, Blackwell Publishing, (5th Ed), 2015. *Chapters 1-36, 44, 45, 53-57.*
3. Fossum TW. Small Animal Surgery, Mosby Co., (4th Ed), 2012.
4. Boothe DM. Small Animal Clinical Pharmacology and Therapeutics, Elsevier, (2nd Ed), 2011. *Chapter 6 (Principles of Antimicrobial Therapy), Chapter 7 (Antimicrobial drugs), Chapter 19 (GI Physiology), Chapter 29 (Anti-inflammatory drugs).*
5. Johnson AL, Houlton JEF, Vannini R. AO Principles of Fracture Management in the Dog and Cat, AO Publishing, 2005. *Chapters 1, 2, 3, 20, 27.*
6. Tams TR, & Rawlings CA. Small Animal Endoscopy, Elsevier, (3rd Ed), 2011. *Chapter 1 (endoscopic instrumentation, etc.), Chapter 11 (Energy & stapling devices), Chapter 12 (App of LASER energy), Chapter 13 (Endoscopic knot tying & suturing), Chapter 14 (Psychomotor training), Chapter 15 (Laparoscopy), Chapter 16 (Thoracoscopy), Chapter 21 (Arthroscopy).*

Many journals contain articles pertaining to surgery (both human and veterinary) and should be perused for current literature. A partial list of veterinary journals includes:

Journals for Small Animal Surgery Candidates

- *American Journal of Veterinary Research*
- *Compendium (including web-only publications)*
- *Journal of Veterinary Emergency and Critical Care*
- *Journal of the American Veterinary Medical Association*
- *Journal of Small Animal Practice*
- *Journal of Veterinary Internal Medicine*
- *Veterinary Comparative Orthopedics and Traumatology*
- *Veterinary Radiology & Ultrasound*
- *Veterinary Surgery*

Journals for Large Animal Surgery Candidates

- *American Journal of Veterinary Research*
- *Equine Veterinary Journal & Supplements*
- *Equine Veterinary Education*
- *Journal of the American Veterinary Medical Association*
- *Veterinary and Comparative Orthopaedics and Traumatology*
- *Veterinary Surgery*

The majority of questions come from literature published in the last five years. For example, if you are taking the 2019 examination, questions will primarily come from literature published in the range of 11/01/2013 – 10/31/2018. Questions may also come from older articles considered significant and essential to the knowledge of the veterinary surgeon.
