Many journals contain articles pertaining to surgery (both human and veterinary) and should be perused for current literature. A partial list of veterinary journals includes:

**JOURNALS FOR SMALL ANIMAL SURGERY CANDIDATES**

- *Journal of Veterinary Emergency and Critical Care*
- *Journal of the American Veterinary Medical Association*
- *Journal of Small Animal Practice*
- *Journal of Veterinary Internal Medicine*
- *Veterinary Comparative Orthopaedics and Traumatology*
- *Veterinary Radiology & Ultrasound*
- *Veterinary Surgery*

**JOURNALS FOR LARGE ANIMAL SURGERY CANDIDATES**

- *Equine Veterinary Journal & Supplements*
- *Equine Veterinary Education*
- *Journal of the American Veterinary Medical Association*
- *Veterinary Radiology & Ultrasound*
- *Veterinary Surgery*

The majority of questions come from literature published in the last five years. For example, if you are taking the 2021 examination, questions will primarily come from literature published in the range of June 1, 2015–June 30, 2020. Questions may also come from older articles considered significant and essential to the knowledge of the veterinary surgeon.
