Radiology Service: 1

Medicine/Emergency Critical Care Service: 1

Pathology Service: 1

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.

AUSTRIAN UNIVERSITY OF VETERINARY MEDICINE

Located In: Vienna, Austria

Curriculum Offered: Large Animal-Equine

Program Director: Dr. Florian Jenner

General Program Information

Type of Program: Traditional Program Additional Collaborating Sites: University of Wisconsin School of Veterinary Medicine

Length of Residency Offered: 4 Years (208 weeks)

Advanced Degree Options Offered: NA

Average # of Residents Actively Training at the Program: 0

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): No

Types of Specialists Working Onsite

of Supervising ACVS Diplomates: 3

of Supporting ACVS Diplomates: 0

of ACVIM (LAIM) Diplomates: 2

of Other Allied Specialists: 5

Allied Specialists Onsite Include: DACVAA, DACVD, DACVSMR (Equine)

Specialty Service Rotations Completed Onsite or Offsite

Onsite=1; Offsite=0; Both options allowed=1/0

Anesthesia Service:

Radiology Service:

Medicine/Emergency Critical Care Service: **Pathology Service:**

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.

CHARLES STURT UNIVERSITY

Located In: Wagga Wagga, New South Wales, Australia

Curriculum Offered: Large Animal-Equine

Program Director: Dr. Bryan Hilbert

General Program Information

Type of Program: Traditional Program

Length of Residency Offered: 3 Years (156 weeks)-required minimum

Advanced Degree Options Offered: NA

Average # of Residents Actively Training at the Program: 0

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): No

Types of Specialists Working Onsite

of Supervising ACVS Diplomates: 2

of Supporting ACVS Diplomates: 0

of ACVIM (LAIM) Diplomates: 2

of Other Allied Specialists: 4

Allied Specialists Onsite Include: DACT,DACVAA,DACVSMR (Equine)

Specialty Service Rotations Completed Onsite or Offsite

Onsite=1; Offsite=0; Both options allowed=1/0

Anesthesia Service: 1

Radiology Service: 0

Medicine/Emergency Critical Care Service: 1

Pathology Service: 0

KANSAS STATE UNIVERSITY, VETERINARY HEALTH CENTER

Located In: Manhattan, Kansas, United States

Curriculum Offered: Large Animal-Equine

Program Director: Dr. Warren Beard

General Program Information

Type of Program: Traditional Program

Length of Residency Offered: 3 Years (156 weeks)-required minimum

Advanced Degree Options Offered: M.S. - Optional

Average # of Residents Actively Training at the Program: 2

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): Yes

Types of Specialists Working Onsite

of Supervising ACVS Diplomates: 3

of Supporting ACVS Diplomates: 0

of ACVIM (LAIM) Diplomates: 2

of Other Allied Specialists: 8

Allied Specialists Onsite Include: DACVAA,DACVO,DACVP,DACVR

Specialty Service Rotations Completed Onsite or Offsite

Onsite=1; Offsite=0; Both options allowed=1/0

Anesthesia Service: 1/0

Radiology Service: 1/0

Medicine/Emergency Critical Care Service: 1/0 **Pathology Service:** 1

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.

LOUISIANA STATE UNIVERSITY

Located In: Baton Rouge, Louisiana, United States

Curriculum Offered: Large Animal-Equine

Program Director: Dr. Charles McCauley

General Program Information

Type of Program: Traditional Program

Length of Residency Offered: 3 Years (156 weeks)-required minimum

Advanced Degree Options Offered: Ph.D. - Optional, M.S. - Required

Average # of Residents Actively Training at the Program: 2

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): Yes

Types of Specialists Working Onsite

of Supervising ACVS Diplomates: 5

of Supporting ACVS Diplomates: 0

of ACVIM (LAIM) Diplomates: 4

of Other Allied Specialists: 7

Allied Specialists Onsite Include: ^^Other Diplomate credential not listed above:Dip European College of Veterinary Diagnostic Imaging,DACVAA,DACVP,DACVR

Specialty Service Rotations Completed Onsite or Offsite

Onsite=1; Offsite=0; Both options allowed=1/0

Anesthesia Service: 1/0

Radiology Service: 1/0

Medicine/Emergency Critical Care Service: 1/0 **Pathology Service:** 1/0

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.

MARION DU PONT SCOTT EQUINE MEDICAL CENTER

Located In: Leesburg, Virginia, United States

Curriculum Offered: Large Animal-Equine

Program Director: Dr. Jennifer Barrett

General Program Information

Type of Program: Traditional Program

Length of Residency Offered: 3 Years (156 weeks)-required minimum

Advanced Degree Options Offered: NA

Average # of Residents Actively Training at the Program: 2

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): Yes

Types of Specialists Working Onsite

of Supervising ACVS Diplomates: 3

of Supporting ACVS Diplomates: 0

of ACVIM (LAIM) Diplomates: 1

of Other Allied Specialists: 1

Allied Specialists Onsite Include: DACT

Specialty Service Rotations Completed Onsite or Offsite

Onsite=1; Offsite=0; Both options allowed=1/0

Radiology Service: 1/0

Medicine/Emergency Critical Care Service: 1

Pathology Service: 1/0

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.

MICHIGAN STATE UNIVERSITY

Located In: East Lansing, Michigan, United States

Curriculum Offered: Large Animal-General

Program Director: Dr. Marc Kinsley

General Program Information

Type of Program: Traditional Program

Length of Residency Offered: 3 Years (156 weeks)-required minimum

Advanced Degree Options Offered: M.S. - Optional

Average # of Residents Actively Training at the Program: 2

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): Yes

Types of Specialists Working Onsite

of Supervising ACVS Diplomates: 5

of Supporting ACVS Diplomates: 0

of ACVIM (LAIM) Diplomates: 3

of Other Allied Specialists: 4

Allied Specialists Onsite Include: DACVAA,DACVP

Specialty Service Rotations Completed Onsite or Offsite

Onsite=I; Offsite=O; Both options allowed=I/O

Anesthesia Service: I

Radiology Service: O

Medicine/Emergency Critical Care Service: I

Pathology Service: I/O

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.

MISSISSIPPI STATE UNIVERSITY

Located In: Mississippi State, Mississippi, United States

Curriculum Offered: Both Large Animal-Equine and Large Animal-General

Program Director: Dr. Alison Eddy

General Program Information

Type of Program: Traditional Program

Length of Residency Offered: 3 Years (156 weeks)-required minimum

Advanced Degree Options Offered: M.S. - Required

Average # of Residents Actively Training at the Program: 2

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): Yes

Types of Specialists Working Onsite

of Supervising ACVS Diplomates: 3

of Supporting ACVS Diplomates: 0

of ACVIM (LAIM) Diplomates: 2

of Other Allied Specialists: 7

Allied Specialists Onsite Include: DACVAA,DACVO,DACVP,DACVR

Specialty Service Rotations Completed Onsite or Offsite

Onsite=1; Offsite=0; Both options allowed=1/0

Anesthesia Service: 1/0

Radiology Service: 1/0

Medicine/Emergency Critical Care Service: 1

Pathology Service: 1

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.

MURDOCH UNIVERSITY

Located In: Murdoch, Western Australia, Australia

Curriculum Offered: Large Animal-Equine

Program Director: Dr. David Murphy

General Program Information

Type of Program: Traditional Program

Length of Residency Offered: 3 Years (156 weeks)-required minimum

Advanced Degree Options Offered: M.S. - Required

Average # of Residents Actively Training at the Program: 1

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): No

Types of Specialists Working Onsite

of Supervising ACVS Diplomates: 2

of Supporting ACVS Diplomates: 1

of ACVIM (LAIM) Diplomates: 1

of Other Allied Specialists: 3

Allied Specialists Onsite Include: DACVAA,DACVP,DACVR

Specialty Service Rotations Completed Onsite or Offsite

Onsite=I; Offsite=O; Both options allowed=I/O

Pathology Service: 1/0

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.

OREGON STATE UNIVERSITY

Located In: Corvallis, Oregon, United States

Curriculum Offered: Large Animal-General

Program Director: Dr. Stacy Semevolos

General Program Information

Type of Program: Traditional Program

Length of Residency Offered: 3 Years (156 weeks)-required minimum

Advanced Degree Options Offered: M.S. - Required

Average # of Residents Actively Training at the Program: 1

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): Yes

Types of Specialists Working Onsite

of Supervising ACVS Diplomates: 5

of Supporting ACVS Diplomates: 1

of ACVIM (LAIM) Diplomates: 3

of Other Allied Specialists: 11

Allied Specialists Onsite Include: DACT,DACVAA,DACVP,DACVR

Specialty Service Rotations Completed Onsite or Offsite

Onsite=I; Offsite=O; Both options allowed=I/O

Anesthesia Service: I

Radiology Service: I/O

Medicine/Emergency Critical Care Service: I

Pathology Service: I

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.

PALM BEACH EQUINE CLINIC

Located In: Wellington, Florida, United States

Curriculum Offered: Large Animal-Equine

Program Director: Dr. John Davis

General Program Information

Type of Program: Traditional Program

Length of Residency Offered: 3 Years (156 weeks)-required minimum

Advanced Degree Options Offered: NA

Average # of Residents Actively Training at the Program: 2

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): No

Types of Specialists Working Onsite

of Supervising ACVS Diplomates: 2

of Supporting ACVS Diplomates: 1

of ACVIM (LAIM) Diplomates: 1

of Other Allied Specialists: 1

Allied Specialists Onsite Include: DACVR

Specialty Service Rotations Completed Onsite or Offsite

Onsite=1; Offsite=0; Both options allowed=1/0

Anesthesia Service: 0

Radiology Service: 1

Medicine/Emergency Critical Care Service: 1

Pathology Service: 0

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.

PETERSON & SMITH EQUINE HOSPITAL

Located In: Ocala, Florida, United States

Curriculum Offered: Large Animal-Equine

Program Director: Dr. Donnie Slone

General Program Information

Type of Program: Traditional Program

Length of Residency Offered: 3 Years (156 weeks)-required minimum

Advanced Degree Options Offered: NA

Average # of Residents Actively Training at the Program: 3

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): No

Types of Specialists Working Onsite

of Supervising ACVS Diplomates: 3

of Supporting ACVS Diplomates: 0

of ACVIM (LAIM) Diplomates: 1

of Other Allied Specialists: 1

Allied Specialists Onsite Include: DACVO

Specialty Service Rotations Completed Onsite or Offsite

Onsite=1; Offsite=0; Both options allowed=1/0

Anesthesia Service: 0

Radiology Service: 0

Medicine/Emergency Critical Care Service: 1

Pathology Service: 0

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.

PURDUE UNIV. SCHOOL OF VETERINARY MED.

Located In: West Lafayette, Indiana, United States

Curriculum Offered: Large Animal-General

Program Director: Dr. Jan Hawkins

General Program Information

Type of Program: Traditional Program

Length of Residency Offered: 3 Years (156 weeks)-required minimum

Advanced Degree Options Offered: M.S. - Required

Average # of Residents Actively Training at the Program: 4

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): Yes

Types of Specialists Working Onsite

of Supervising ACVS Diplomates: 6

of Supporting ACVS Diplomates: 0

of ACVIM (LAIM) Diplomates: 4

of Other Allied Specialists: 11

Allied Specialists Onsite Include: DACVAA,DACVIM (Cardiology),DACVO,DACVP,DACVR
