LARGE ANIMAL RESIDENCY PROGRAMS

ATLANTIC VETERINARY COLLEGE - UPEI

Located In: Charlottetown, Prince Edward Island, Canada

Curriculum Offered: Large Animal-Equine

Program Director: Dr. Aimie Doyle

General Program Information

Type of Program: Traditional Program

Length of Residency Offered: 3 Years (156 weeks)-required minimum

Advanced Degree Options Offered: Ph.D. - Optional, M.S. - Required

Average # of Residents Actively Training at the Program: 1

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): Yes

Types of Specialists Working Onsite

# of Supervising ACVS Diplomates: 2

# of Supporting ACVS Diplomates: 0

# of ACVIM (LAIM) Diplomates: 3

# of Other Allied Specialists: 7

Allied Specialists Onsite Include: DABVP,DACVAA,DACVIM (Cardiology),DACVP

Specialty Service Rotations Completed Onsite or Offsite

Onsite=1; Offsite=0; Both options allowed=I/O

Anesthesia Service: I

Radiology Service: 0

Medicine/Emergency Critical Care Service: I

Pathology Service: I

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.
Located In: Auburn, Alabama, United States

Curriculum Offered: Large Animal-Equine

Program Director: Dr. Fred Caldwell

General Program Information

Type of Program: Collaborative Program

Additional Collaborating Sites: Davidson Surgery Center at Hagyard Equine Medical Institute

Length of Residency Offered: 3 Years (156 weeks)-required minimum

Advanced Degree Options Offered: M.S. - Required

Average # of Residents Actively Training at the Program: 3

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): Yes

Types of Specialists Working Onsite

# of Supervising ACVS Diplomates: 9
# of Supporting ACVS Diplomates: 0
# of ACVIM (LAIM) Diplomates: 7
# of Other Allied Specialists: 7

Allied Specialists Onsite Include: DACVAA, DACVECC, DACVO, DACVP, DACVR

Specialty Service Rotations Completed Onsite or Offsite

Onsite=I; Offsite=O; Both options allowed=I/O

Anesthesia Service: I  Radiology Service: I

Medicine/Emergency Critical Care Service: I  Pathology Service: I

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.
Charles Sturt University

Located In: Wagga Wagga, New South Wales, Australia

Curriculum Offered: Large Animal-Equine

Program Director: Dr. Raphael Labens

General Program Information

Type of Program: Collaborative Program

Length of Residency Offered: 4 Years (208 weeks)

Advanced Degree Options Offered: M.S. - Required

Average # of Residents Actively Training at the Program: 0

Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): No

Types of Specialists Working Onsite

# of Supervising ACVS Diplomates: 5

# of Supporting ACVS Diplomates: 2

# of ACVIM (LAIM) Diplomates: 3

# of Other Allied Specialists: 9

Allied Specialists Onsite Include: ^Other Diplomate credential not listed above: DIPLECVDI, DACT, DACVAA, DACVECC, DACVSMR (Equine)

Specialty Service Rotations Completed Onsite or Offsite

Onsite=I; Offsite=O; Both options allowed=I/O

Anesthesia Service: I

Radiology Service: O

Medicine/Emergency Critical Care Service: I

Pathology Service: O

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.
COLORADO STATE UNIVERSITY VETERINARY TEACHING HOSPITAL

Located In: Fort Collins, Colorado, United States

Curriculum Offered: Large Animal-Equine

Program Director: Dr. Bradley Nelson

General Program Information

Type of Program: Traditional Program
Length of Residency Offered: 3 Years (156 weeks)-required minimum
Advanced Degree Options Offered: M.S. - Required
Average # of Residents Actively Training at the Program: 3
Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): Yes

Types of Specialists Working Onsite

# of Supervising ACVS Diplomates: 5
# of Supporting ACVS Diplomates: 3
# of ACVIM (LAIM) Diplomates: 3
# of Other Allied Specialists: 3

Allied Specialists Onsite Include: DACVD, DACVO

Specialty Service Rotations Completed Onsite or Offsite

Onsite=I; Offsite=O; Both options allowed=I/O

Medicine/Emergency Critical Care Service: I Pathology Service: I

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.
MARION DU PONT SCOTT EQUINE MEDICAL CENTER

Located In: Leesburg, Virginia, United States

Curriculum Offered: Large Animal-Equine

Program Director: Dr. Jennifer Barrett

General Program Information

Type of Program: Traditional Program
Length of Residency Offered: 3 Years (156 weeks)-required minimum
Advanced Degree Options Offered: NA
Average # of Residents Actively Training at the Program: 2
Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): Yes

Types of Specialists Working Onsite

# of Supervising ACVS Diplomates: 2
# of Supporting ACVS Diplomates: 0
# of ACVIM (LAIM) Diplomates: 3
# of Other Allied Specialists: 1

Allied Specialists Onsite Include: DACVSMR (Equine)

Specialty Service Rotations Completed Onsite or Offsite

Onsite=I; Offsite=O; Both options allowed=I/O

Anesthesia Service: O
Radiology Service: I/O
Medicine/Emergency Critical Care Service: I/O
Pathology Service: I/O

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.
Michigan State University

Located In: East Lansing, Michigan, United States

Curriculum Offered: Large Animal-General

Program Director: Dr. Amelia Munsterman

General Program Information

Type of Program: Traditional Program
Length of Residency Offered: 3 Years (156 weeks)-required minimum
Advanced Degree Options Offered: NA
Average # of Residents Actively Training at the Program: 4
Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): Yes

Types of Specialists Working Onsite

# of Supervising ACVS Diplomates: 3
# of Supporting ACVS Diplomates: 0
# of ACVIM (LAIM) Diplomates: 2
# of Other Allied Specialists: 8

Allied Specialists Onsite Include: DACT,DACVAA,DACVP,DACVR

Specialty Service Rotations Completed Onsite or Offsite

Onsite=I; Offsite=O; Both options allowed=I/O

Anesthesia Service: I/O Radiology Service: I/O
Medicine/Emergency Critical Care Service: I/O Pathology Service: I/O

This program description (above) represents information reported by the Program Director to the American College of Veterinary Surgeons (ACVS) on their annual residency training program registration application. Program description information is updated in December.
MISSISSIPPI STATE UNIVERSITY

Located In: Mississippi State, Mississippi, United States

Curriculum Offered: Both Large Animal-Equine and Large Animal-General

Program Director: Dr. Alison Eddy

General Program Information

Type of Program: Traditional Program
Length of Residency Offered: 3 Years (156 weeks)-required minimum
Advanced Degree Options Offered: M.S. - Required
Average # of Residents Actively Training at the Program: 2
Resident Selection via the Veterinary Internship & Residency Matching Program (VIRMP): Yes

Types of Specialists Working Onsite

# of Supervising ACVS Diplomates: 3
# of Supporting ACVS Diplomates: 0
# of ACVIM (LAIM) Diplomates: 3
# of Other Allied Specialists: 11

Allied Specialists Onsite Include: DABVP,DACVAA,DACVO,DACVP,DACVR
