*Laboratory fees increase June 21. ACVS reserves the right to cancel any laboratory that does not meet minimum registrations by August 10. If the laboratory is cancelled by this date, registrants will be notified via email no later than August 17 and all paid laboratory fees will be refunded. It is recommended that you wait until notified to book your travel. ACVS will not reimburse for travel in the case of a cancellation due to low registrations.

Cancellation/Change Policy
An administrative fee of $75 will be charged for each item changed within your registration. To cancel your full meeting registration, a $75 fee will be assessed. There will be no laboratory refunds after August 10. After August 10, refunds for laboratory registrations will only be refunded in cases of extenuating circumstances (e.g., death in the family, medical, or emergency) and must be supported by written documentation. Allow 30 days for processing refund requests. All refunds and changes must be requested in writing by mail, fax, or email (surgerysummit@acvs.org).

ACVS does not endorse or promote the use of any product/service of commercial entities. Equipment used in these laboratories is for demonstration and teaching purposes only with the intent of enhancing the learning experience.

ACVS greatly appreciates the supplies and equipment donated or loaned by the following companies in support of multiple laboratories.

General Econopak, Inc.
Medtronic, an ACVS Industry Partner
Patterson Veterinary
Universal Surgical Instruments

Submission of registration indicates agreement to comply with the Surgery Summit Cancellation/Change Policy.
**MARK W. ALLAM LECTURE**

**8:00-9:30am, Thursday, October 6**
A light continental breakfast will be served beginning at 7:30am.

The Role of Joint Realignment to Treat and Prevent Arthritis

Dror Paley, MD, FRCSC, is Director of the Paley Advanced Limb Lengthening Institute at St. Mary’s Hospital in West Palm Beach, Florida. Dr. Paley was the founder and Director of the Rubin Institute for Advanced Orthopedics and the Director of the International Center for Limb Lengthening in Baltimore, Maryland, until May 2009. From 1987 to 2001, he was the Chief of Pediatric Orthopedics at the University of Maryland, Baltimore. Dr. Paley is internationally recognized for his expertise in limb lengthening and reconstruction. He trained under two professors, Gavril A. Ilizarov of Russia (Ilizarov method) and Giovanni De Bastiani of Italy (Orthofix method). In 1986, he introduced the Ilizarov method to the United States and Canada. Since that time, he has performed more than 17,000 limb lengthening and reconstruction-related procedures on patients throughout the United States and from more than 70 countries.

The Mark W. Allam Lecture is named for one of the cofounders of the American College of Veterinary Surgeons. Dr. Allam was an avid proponent of the concept of “one medicine,” the idea that the similarities between human and animal medicine are great and that these two fields can benefit considerably from the discoveries made in each field. The lecture was instituted to foster this concept and has been given annually since 1972.

Available to current ACVS and ECVS residents. Registration is required. Fees: $175 on or before 6/20; $200 on or before 8/10; $225 after 8/10.

Learn from leaders in one-day large animal and small animal workshops designed especially for current surgical residents and those who have recently completed residency training.

Large Animal
Specialists: Callie A. Fogle, Samantha L. Morello, Kyla F. Ortved, Suzanne Stewart, Canaan Whitfield-Cargile, Jarred M. Williams

Focus areas include orthopedics/sports medicine, respiratory, urogenital, gastrointestinal, and integument/wounds.

Small Animal
Specialists: Nicholas J. Bacon, William T. N. Culp, Nina Kieves, Bonnie L. H. Kraus, Milan Milovancev

Focus areas include anesthesia, critical care patient, arthroscopy, bone healing, minimally invasive: laparoscopy & thoracoscopy, and skin flaps.

Small Animal Workshop sponsored by ACVS Industry Partner

RESIDENTS’ INFORMATION SESSION

5:00–5:45pm, Wednesday, October 5

ACVS residents will be given an overview of the committees and resources available to assist in the pursuit of board certification. Members of the Resident Credentialing, Examination, and Research Committees and the Editor-in-Chief of Veterinary Surgery will explain their roles in residency training, credentials review, and the certification examination. Questions are encouraged.

SCIENTIFIC POSTER SESSION & RECEPTION

Poster Session: Thursday, October 6–Saturday, October 8 during exhibit hall hours
Poster Presentations & Reception: 6:00–7:30pm, Thursday, October 6

Stay knowledgeable about current research findings in veterinary surgery at the Scientific Poster Session featuring a variety of clinical and research posters. Authors will be available for discussion of their presentations during the reception Thursday evening.

ACVS and ECVS resident poster presenters take part in the Outstanding Surgical Residents’ Awards competition. Award winners will be announced on Saturday at the Residents’ Awards Ceremony.

Sponsored by ACVS Premier Sponsor

RESIDENTS’ FORUMS

8:00am–12:30pm, Friday, October 7

ACVS and ECVS residents will present results from large and small animal original research.

Small Animal Forum
Sponsored by ACVS Industry Partner

SURGICAL RESIDENTS’ AWARDS CEREMONY

11:45am–12:15pm, Saturday, October 8

Outstanding Surgical Resident Awards
The Outstanding Surgical Residents’ Awards competition encourages the development of clinically important research and the dissemination of the results of these investigations, particularly those conducted by surgical residents.

ACVS and ECVS residents will receive awards for presentations at the Residents’ Forums, scientific poster presentations, and publication in Veterinary Surgery.

Presented by the ACVS Foundation

Sponsored by ACVS Premier Sponsor

One AO Awards
Two “One AO Awards” will be presented by AOVET North America. The abstracts are chosen based on their cross-disciplinary orthopedic relevance and embodiment of the “One Medicine” spirit of AO North America. AO North America is a unique organization that brings together physicians and veterinary experts in the fields of trauma, craniomaxillofacial, spinal, and veterinary orthopedic surgery.

Sponsored by ACVS Educational Partner

ACVS/ECVS Resident Speaker Exchange Program Awards
A winner from the best ACVS resident small animal and large animal presentations in the Residents’ Forums are invited to present at the ECVS meeting. Winners in the research and clinical categories will alternate each year. For 2016, the category is clinical.

Support and congratulate future leaders in veterinary surgery!

LEGACY PROGRAM

A Special Invitation to ACVS Emeritus Diplomates

Renew friendships and enjoy the company of colleagues during the ACVS Foundation Legacy Program. Designed for ACVS Emeritus Diplomates and their guests, this program features select Surgery Summit events and social activities:

- Mark W. Allam Lecture & Awards Ceremony
- Diplomates’ Annual Business Meeting
- Scientific Poster Presentations & Reception
- Legacy Reception
- Legacy Tour
- Celebration of Surgical Success Reception

ACVS Emeritus Diplomates, these activities are the perfect way for you to enjoy the Surgery Summit—register using the “Legacy Program” option. However, if you wish to attend lectures and earn CE credits you should register using the “Emeritus Diplomate” option.

LEGACY TOUR

A taste and tour of Starbucks’ legendary coffee and Roastery, award winning pizza at Serious Pie Restaurant, and a harbor cruise.

12:00–5:00pm, Friday, October 7
Limited to Emeritus Diplomates and their guests. Transportation is provided.

Tour fee: $35 (Lunch is not included)
Pre-registration required. Space is limited.

Emeritus Diplomates and their guests will begin the afternoon with a tour of Starbucks Reserve® Roastery and Tasting Room, followed by lunch at the Serious Pie Restaurant known for its “over the top delicious pizza.” The afternoon concludes with a boat cruise with views of the harbor, Seattle’s skyline, and, hopefully, a few orcas.

Presented by the ACVS Foundation
CE CREDITS

The ACVS Surgery Summit has applied for more than 300 hours of Continuing Education (CE) credits in jurisdictions that recognize the American Association of Veterinary State Boards’ (AAVSB) Registry of Approved Continuing Education (RACE) approval. Participants should be aware that some boards have limitations on the number of hours accepted in certain categories and/or restrictions on certain methods of CE delivery. For additional information, contact ACVS Conference Manager Teresa Perrell (301-916-0200 x103), or visit the AAVSB website at www.aavsb.org.

PROCEEDINGS

Purchase a printed copy of Proceedings notes for $75 in advance, by September 1. Books can be ordered during the online registration process or by using the registration form. Books will not be sold on-site or following the Surgery Summit.

Proceedings notes will be available online to all registered attendees on or about October 1, with an option to download specific sections or all Proceedings notes. Registered attendees will receive email instructions to download Proceedings notes.

CIVILITY IN THE WORKPLACE

12:45–2:45pm, Friday, October 7

Pre-registration is required. Available to ACVS Diplomates and residents, with discounted fees for recently boarded ACVS Diplomates. Lunch is included.

Fees: New ACVS Diplomate (2014–2016) or ACVS resident: $15; ACVS Diplomate: $25

As a surgeon in a fast-paced clinical environment, it is essential that all members of the medical team act with respect and integrity toward one another. This session will examine how to prevent and manage interpersonal issues or “drama” that can negatively affect patient care. Other topics include:

- the broad range impact of incivility
- specific methods to foster workplace civility
- how to be an effective leader
- how to navigate through a difference of opinions

Attendees are encouraged to bring examples from their workplace for discussion during this interactive session.

Presenter: Charles LaTorre, University of Wisconsin-Madison, is trained in organizational assessment tools, including individual and team coaching, performance, and personal resilience.
