

## ACVS PRACTICE PARTNERS PROGRAM

The ACVS Practice Partners Program offers a unique opportunity for Diplomate-affiliated practices and hospitals to take advantage of benefits designed specifically to heighten awareness of your practice or hospital and to encourage distinctive quality of care by your practice's staff.

By participating in the ACVS Practice Partners Program with an annual fee of \$4,000\*, your practice or hospital can anticipate a rewarding year, while supporting the mission of ACVS — excellence in training and research.

### **All Practice Partners Receive as a Benefit of Their Partnership:**

- ✓ Complimentary Surgery Summit registration for three employees
- ✓ Unlimited complimentary Surgery Summit registration for technicians
- ✓ Complimentary Surgery Summit registration for a referring veterinarian
- ✓ Advance opportunity to select Surgery Summit sponsorship
- ✓ Unlimited complimentary employment advertisements on the ACVS website
- ✓ Practical, professionally designed materials to assist with educating the public about the value of board certification, including 200 “A Team Approach to Veterinary Surgical Care” brochures and two “What is a Diplomate/Surgical Specialist?” posters
- ✓ Prominent recognition as a Practice Partner:
  - ACVS website, with a link to the practice's or hospital's website
  - *Cut to the Point*, the monthly Diplomates' e-bulletin
  - Highlighted Practice Partner status for each Diplomate employee in the online *Find a Veterinary Surgeon* directory
  - Surgery Summit *Final Program & Exhibits Guide* and prominent display
  - Name badges for all Surgery Summit attendees from the practice or hospital
- ✓ A Practice Partner plaque for the office recognizing annual participation

\*Practices or hospitals with multiple locations under the same ownership receive a special reduced fee for the additional Practice Partner locations. The fee for each additional location is \$3,000 and each location receives the complete set of benefits.
